Callie/Derrith: On behalf of Sadie, I am forwarding this final draft version of our response to the WOGCC on Encana's Madison aquifer exemption request for your review. We have committed to send this electronically to the WOGCC before their 1 pm hearing on this project this Monday, April 8th.

Please let Sadie know ASAP Monday morning if you have any comments, etc. While Kate has reviewed this document, she would like to give it one more review if any substantive changes are made before it goes out.

Thanks,

Here you go. I am here today if it would help to discuss. My sense is if you agree with what I am suggesting and get a revised letter in final draft, one more quick look and it can go out. Up to you.
